§ 1625.32 Coordination of retiree health benefits with Medicare and State health benefits.

(a) *Definitions.*

(1) *Employee benefit plan* means an employee benefit plan as defined in 29 U.S.C. 1002(3).

(2) *Medicare* means the health insurance program available pursuant to Title XVIII of the Social Security Act, 42 U.S.C. 1395 *et seq.*

(3) *Comparable State health benefit plan* means a State-sponsored health benefit plan that, like Medicare, provides retired participants who have attained a minimum age with health benefits, whether or not the type, amount or value of those benefits is equivalent to the type, amount or value of the health benefits provided under Medicare.

(b) *Exemption.* Some employee benefit plans provide health benefits for retired participants that are altered, reduced or eliminated when the participant is eligible for Medicare health benefits or for health benefits under a comparable State health benefit plan, whether or not the participant actually enrolls in the other benefit program. Pursuant to the authority contained in section 9 of the Act, and in accordance with the procedures provided therein and in §1625.30(b) of this part, it is hereby found necessary and proper in the public interest to exempt from all prohibitions of the Act such coordination of retiree health benefits with Medicare or a comparable State health benefit plan.

(c) *Scope of Exemption.* This exemption shall be narrowly construed. No other aspects of ADEA coverage or employment benefits other than those specified in paragraph (b) of this section are affected by the exemption. Thus, for example, the exemption does not apply to the use of eligibility for Medicare or a comparable State health benefit plan in connection with any act, practice or benefit of employment
